This reprogramming action provides funding for the replacement of defense articles from the stocks of the Department of Defense expended in support of Israel and for the reimbursement of defense services of the Department of Defense provided to Israel or identified and notified to Congress for provision to Israel. This action is determined to be necessary in the national interest. This reprogramming action meets all administrative and legal requirements, and none of the items have been previously denied by the Congress.

This reprogramming action transfers \$657.584 million from the Operation and Maintenance, Defense-Wide, 24/25, appropriation to various Defense appropriations pursuant to the funding appropriated in division A of Public Law 118-50, the Israel Security Supplemental Appropriations Act, 2024.

The transfer authority provided with the replacement funding in Public Law 118-50 is in addition to any other transfer authority available to the Department of Defense.

This reprogramming action addresses funds for the replacement of defense articles expended in support of Israel through U.S. combat operations executed at the request of and in coordination with Israel and for the defense of Israeli territory, personnel, or assets during the April 13, 2024, and October 1, 2024, attacks by Iran and reimburses DoD direct support costs expended, in coordination with and at the request of Israel, in order to defend against attacks on Israeli territory, personnel, or assets.
